

County of Albemarle
Department of Community Development

To: Albemarle County Planning Commission
From: David Benish, Development Process Manager
Date: February 16, 2021
RE: Rio Corridor Plan Overview

Planning Division and CAPE staff will be providing a general introduction and overview of the Rio Corridor Planning process. The contracted consultant, Line + Grade Civil Engineering, has now begun work on the project, which is projected to take approximately one year to complete. Staff provided a comparable overview to the Board of Supervisors at their February 3, 2021 meeting. A copy of the Executive Summary provided to the Board is attached. One error/update in the Board's version of the report has been made in this draft and is noted by bold and strike-through type.
