- | | | |
|--------------------------|-------------------------------|-------------------------|
| ▪ Operational Leadership | ▪ Supply Chain Process | ▪ Contract Negotiations |
| ▪ Sales Management | ▪ Market Analysis | ▪ Marketing Strategies |
| ▪ Procurement Analysis | ▪ Logistics Operations | ▪ Process Optimization |
| ▪ Project Management | ▪ International Collaboration | ▪ Lean Operations |

Professional Experience

Perrone Robotics, Inc., Charlottesville, VA

2021-Present

Vice President of Business Operations

- Produced highest sales figures in company history by reworking sales methodology and strategy.
- Reduced overhead costs by managing and mitigating inventory risks during covid resulting in lower costs and higher profits.
- Created new relationships with national firms resulting in long term business relationships and new opportunities for our technology.
- Acted as local liaison to our community, which resulted in free real estate for a new corporate HQ, increasing profitability.
- Promoted from Project Manager to Vice President of Operations within first six months of employment due to operational expertise and ability to produce strong results.

Signature Science LLC, Charlottesville, VA

2016-2021

Procurement & Logistics Lead / PMP Team Lead

- Managed over 8+ projects with values ranging from \$250k-700k each.
- Expanded Charlottesville's Purchasing and Logistics department by 400% growing personnel onsite and scope of work.
- Recognized for exceptional management of a \$30+ Million-dollar Property Book.
- Expanded footprint of operations by over 10K+ square feet through negotiation and new warehouse systems.

Nicholas A. Pilipowskyj PMP, CPPS, FMP

(434) 284-0577 Nicholasp56@gmail.com

Randstad Staffing Agency, Duke Energy, Charlotte, NC

2015-2016

Materials Analyst

- Achieved over \$500K in cost savings by introducing new and pioneering supply chain strategies.
- Collaborated with company executives to reduce plant downtime (during scheduled outages) by working on custom dashboard projects that identified inefficiencies and increased profit.

Education

- MBA Program –2025
Auburn University, Executive Master's Program
- Master Certificate in Supply Chain Management
Thunderbird School of Global Management, Online
- Bachelor of Arts in International Studies
American University, School of International Service, Washington, DC

SUMMARY

Experienced proven leader with the qualities needed to set vision, align teams and get results. Unique ability to create a culture that fosters growth, commitment, innovation, and excellence.

PROFESSIONAL EXPERIENCE

- Regional Sales Lead, Avaya Federal, US Intelligence and Law Enforcement Communities. January 2016 to present
- Senior Director of Business Development, Intrepid Solutions and Services, January 2012 to 2015
- Program Manager, Identity Intelligence/Defense Business Development, International Biometric Group, Charlottesville, 2011 to 2012
- United States Army Officer, 1984 to 2011.
 - Advanced to the rank of Colonel, served in a variety of command and staff positions.
 - Awarded the Bronze Star, Legion of Merit (1st Oak Leaf Cluster), and Defense Meritorious Service Medal (1st Oak Leaf Cluster).

SUMMARY OF QUALIFICATIONS

- Over 30 years of continuous leadership experience in the US Military, Intelligence Community (IC) and Defense Industry.
- Currently the Regional Sales Lead for Avaya Federal providing the full array of information technology, telephony, cloud products and services to the IC and Law Enforcement Communities.
- Prior to joining Avaya, responsible for numerous billion dollar capture efforts successfully increasing corporate revenue over 35% within two years of hire. Simultaneously led 36 employees on four separate contract vehicles over four states and deployed personnel in Afghanistan, reporting directly to the CEO.
- Served 26 years in the US Army retiring as a Colonel, served tours in Iraq, Korea, the Pentagon and National Security Agency. Led large complex organizations with extensive budgetary responsibilities
- Thorough hands-on knowledge of how the US Defense and Intelligence Communities work and how industry supports them.

LEADERSHIP AND MANAGEMENT

Defense Industry: 2011-Present • Regional Sales Lead for Avaya Federal

- Directs a sales team of six account managers and eight sales engineers spanning some fifty US government agencies supporting the IC and the Departments of Homeland Security and Justice carrying a sales quota in excess of \$67M
- Created a comprehensive sales strategy increasing Avaya's market share driving revenue growth, leading the team to have the highest sales numbers across Avaya Federal in FY 18 and 19. Awarded CEO's Circle of Excellence FY19 for highest sales attainment.
- Provides accurate and timely management information and revenue forecast to

- senior management
 - Manages joint selling between channel partners and sales teams resulting in accelerated revenue growth.
 - Developed and implemented comprehensive strategies for large scale communications software integration, cloud migrations and subscription deals across our customer base.
- Senior Director for Business Development
 - Successfully led multi-billion dollar capture efforts across the IC in diverse areas such as airborne intelligence surveillance and reconnaissance, biometrics, information technology, advanced analytics, data mining.
 - Grew IDIQ ceiling from approximately \$400M to \$1.5B and increased annual revenue by 35 % with subsequent task order wins.
 - Reported directly to the CEO, had P+L responsibilities for 36+ employees. ○ Responsible for all areas of Business Development to include, Business Capture, Proposal Management, strategic plan development and development of Team Building Strategies.

US Army 1984-2011 ● Served in combat as the Director of the Joint Intelligence Operations Center in Iraq.

- Directed the operations of over 900 intelligence personnel from all four Military Services and National Intelligence Agencies.
 - Personally involved in the analytic efforts leading to the killing and or capturing of numerous insurgent/Al Qaeda leaders.
 - Responsible for all theater level intelligence operations, reporting directly to the senior DoD intelligence officer (two star general) in Iraq.
 - Developed and implemented strategies for the integration of disparate intelligence functions such as cyber and identity management into a cohesive analytic organization.
- Commanded the National Ground Intelligence Center (NGIC), the US Army's strategic analytic center with world-wide Intelligence missions.
 - 1800 employees with a \$400 million dollar annual budget.
 - Responsible for the development of analytic products for the Joint Chiefs of Staff, members of Congress and the President.
 - Fused cutting edge intelligence functions such as Identity Management, Social Network analysis and cyber into NGIC's mission.
 - Ensured the Army G2 could provide the most recent technical threat assessments to support combat operations and Army modernization.

EDUCATION

- Masters, National Security & Strategic Studies, National War College, Fort McNair, 2007
- Bachelor of Science, George Mason University, Fairfax VA, 1984

SECURITY CLEARANCE

Albemarle County

Economic Development Authority

Board Details

An ordinance creating the Industrial Development Authority was adopted on May 12, 1976. See State Code, Sections 15.2-4900 through 15.2-4908 for enabling legislation. The authority created by the Albemarle Board of County Supervisors acquires, owns, leases and disposes of properties and makes loans and issues bonds to promote industry and development by inducing manufacturing, industrial, governmental, nonprofit and commercial enterprises and institutions of higher education to locate in or remain in the County and to further the use of its agricultural products and natural resources.

Overview

- ☐ **Size** 8 Seats
- ☐ **Term Length** 4 Year
- ☐ **Term Limit** N/A

Additional

Length of Term

Four years.

Frequency/Times for Meetings:

Meetings are held on the third Tuesday of each month at 4pm at the McIntire County Office Building in room 241.

Membership:

Members are not paid for their service. No director shall be an employee of the County.

Qualifications

It is helpful, but not essential, if members have some working knowledge of municipal finance or the financial markets in general. Some basic understanding of taxation is also helpful.

Albemarle County

Equalization Board

Board Details

The Board of Equalization shall hear all complaints and objections to real estate assessments from the taxpayer or his agent. The Board shall hear and give consideration to such complaints and equalize such assessments and, moreover, the Board is charged with the especial duty of increasing as well as decreasing assessments. The Board’s main charge is the equalizing of real estate assessments.

Overview

- ☐ **Size** 6 Seats
- ☐ **Term Length** 1 Year
- ☐ **Term Limit** 9 Term

Additional

Length of Term

One year beginning January 1st and ending December 31st, and may be reappointed. Per State Code, members may serve nine consecutive terms. (Eligible for reappointment after three years off the Board.)

Frequency/Times for Meetings:

Meetings are held as needed at the McIntire County Office Building in room 241.

Membership:

§ 58.1-3371 of the Code of Virginia was amended in 1995 to permit any county operating under the county executive form of government to “be composed of not less than three nor more than the number of districts for the election of members of the board of supervisors in the County”.

Qualifications

Members of the board shall have the qualifications prescribed by § 58.1-3374, shall conduct their business as required by § 58.1-3378, and shall be freeholders (must own property in the County). A candidate with a background in the real estate market (sales, assessing, etc.) would find that knowledge helpful in filling this position. In order to be eligible for appointment, each prospective member of such board shall attend and participate in the basic course of instruction given by the Department of Taxation under § 58.1-206. Members are paid \$85.00 per meeting (Albemarle Code Albemarle Code § 2-1105).

Activities and Interests**Memberships in Civic, Not-for-Profit, and Similar Organizations:**

Government Finance Officers Association

Interests:

My primary interests lie in community development and equitable access to essential services, which closely align with the mission of this board. I am particularly passionate about improving public transportation and accessibility, as I believe these are fundamental to enhancing quality of life and economic opportunities for all members of the County. I also have a strong passion for research, as I enjoy analyzing data and trends to identify areas where we can make the biggest impact.

Reasons for Seeking to Serve on the Board, Commission, or Committee:

I am seeking to serve on the Jaunt Board because I am deeply committed to improving accessibility and transportation options for our community. During my tenure with the County, I collaborated on various transportation projects, including the development of the County's transportation analysis white paper. I believe this experience equips me with valuable insights that can contribute to the board's strategic direction. Additionally, serving on this board would provide an opportunity to give back to the community by leveraging my expertise in finance and strategic planning to support initiatives that benefit the public. I am confident that my experience, combined with my passion for this cause, will enable me to make a meaningful and positive impact.

PROFESSIONAL EXPERIENCE

County of Albemarle, Albemarle, VA

2023 – 2024

Chief: Office of Grants and Agreements

Grant Leader

2021-2023

Seasoned Finance Manager with a diverse background in financial analysis, strategic planning, and process improvement. Proficient in transforming financial operations and implementing data-driven solutions to drive success in various organizations. Skilled in collaborating with partners to achieve organizational goals and objectives, including within the context of supporting the County of Albemarle's 630 million dollar budget.

- Leads an office in the County's department of Finance and Budget, overseeing fund portfolios surpassing \$15 million.
- Analyzes and interprets data and manages general accounting ledgers for the County's local, state and federal grants and special revenue funds.
- Develops systems, programs and maintains budgets for the County's \$21.2 million in American Rescue Plan Act (ARPA) funding ensuring that it remains fiscally compliant.
- Conducts financial forecasting, reporting, and operational metrics tracking related to special revenue funds, providing crucial insights for the Board of Supervisors, Chief Financial Officer (CFO), and County Executive's Office.
- Utilizes diverse data modeling techniques to recommend and create financial models for forecasting current and future budgetary and project resources, considering special programs, populations, and census data.

Westlake Academy, Westlake, TX

2018 – 2021

Administration and Accountability Director

As a member of the executive municipal and school leadership team, collaborated to review, guide, and provide financial recommendations to the Superintendent and Board of Trustees regarding school budget, policies and state compliance.

- Collected, cleaned, and analyzed previously under reported data, discovering multiple data inconsistencies helping to recover and avoid fiscal budgetary shortfalls (both current and future).
- Translated complex data elements and provided recommendations to the Town Council, Board of Trustees, senior leadership and stakeholders.
- Employed various data modeling processes to provide recommendations for forecasting current and future budgetary resources.
- Current on policies affecting both the school and the municipality as it relates to the school and makes sure that board policies align or are recommended to be aligned to the new legislature.

Fidelity Investments, Westlake, TX

2005 – 2018

Premium Relationship Associate

- Educated clients, helping them to understand the impact of investing on all aspects of their workplace retirement options including but not limited to 401k, 403b, pension and healthcare plans.
 - Explored plan performance, fund objectives and helped simplify complex investment strategies found within investment options.
 - Applied knowledge of market trends to help investors make sound investment decisions by breaking down very complex trading methods into simplified investment strategies.
 - Tracked quickly changing compliance and regulatory requirements which directly impacted investments made by specific groups such as ERISA requirements for retirement plans.
 - Engaged in top-tier professional development sessions led by industry-leading fund managers to enhance proficiency in fund management and investment strategy.
-

Charlottesville, Virginia, United States

Experience

Alula

Founder and CEO
June 2024 - Present (6 months)
Charlottesville, Virginia, United States

I'm chasing a goal to improve the senior and caregiver experience by making care teams more efficient and equitable. Stay tuned!

FourKites, Inc.

5 years 5 months

Vice President Carrier/LSP Strategy
August 2023 - June 2024 (11 months)

As the Vice President of Carrier/LSP Strategy at FourKites, I am responsible for shaping the strategic vision for our carrier and logistics service provider relationships. Drawing on insights from my previous experience in global customer operations, I develop strategies to enhance collaboration with our network. My role includes crafting a comprehensive strategy aligned with FourKites' global objectives, building strong relationships with carriers and LSPs and analyzing industry trends to identify opportunities.

Vice President Global Customer Operations
June 2022 - August 2023 (1 year 3 months)

Vice President Carrier Operations and Products
October 2020 - November 2022 (2 years 2 months)
Charlottesville, Virginia, United States

Director Carrier Products

February 2019 - November 2022 (3 years 10 months)

FourKites is revolutionizing supply chain intelligence. Our real-time omni-modal visibility and orchestration platform enables Fortune 500 companies, 3PLs, and carriers to track shipment location and temperature, proactively manage exceptions, lower their operating costs, improve on-time performance, and strengthen their end-customer relationships.

REO Processing

Vice President Transportation and Warehousing

January 2017 - February 2019 (2 years 2 months)

REO Processing is a specialty chemical toll processor, offering over 35 toll processing capabilities, including contract manufacturing, warehousing, transportation, and more. Founded in 1922, they serve industries such as pool/spa, pharmaceutical, food, and construction. With a team of experts in chemistry and engineering, they provide seamless service and prioritize integrity, safety, and quality. Their facilities span 2+ million square feet across West Virginia, Virginia, and Georgia.

Smithfield Foods

4 years 4 months

Senior Supply Chain Network Strategy Manager

November 2014 - January 2017 (2 years 3 months)

Smithfield, Virginia

Led the creation and implementation of the company's first supply chain model, optimizing manufacturing to customer distribution. Formed cross-functional teams to understand variables affecting business decisions and utilized Llamasoft Supply Chain Guru optimization software for analysis. Presented findings to executive leadership, setting a benchmark for evaluating supply chain decisions and redefining the supply chain as a series of strategic choices.

Senior Manager Transportation Services

November 2014 - June 2015 (8 months)

Smithfield, Va

Managed teams responsible for load building, track and trace, and automation of the same. Oversaw and guided the logistics processes to ensure efficient load configurations, implementation of real time tracking, and seamless automation. Leveraged technology and industry best practices, leading teams to enhance accuracy, reduce costs, and contribute to the overall success of the logistics operations.

General Manager

October 2012 - January 2015 (2 years 4 months)

Newport News, Virginia

Oversaw all aspects of distribution operations, including inventory management, logistics, supply chain coordination, and team leadership. Ensured efficiency, safety, and exceptional service to meet the company's quality standards. Utilized extensive industry experience to drive continuous improvement and contribute to organizational success.

Joint Expeditionary Base Little Creek - Fort Story
Director of Installation Asset Management
October 2009 - October 2012 (3 years 1 month)
Virginia Beach, VA

Managed a multi-person staff responsible for strategic planning, lifecycle planning, requirement analysis, and project development for an industrial plant with over 700 buildings valued at \$1.6 billion. Merged facilities management for two institutions, totaling 20,000 people, and developed financial models to identify real costs. Created a strategic growth plan through 2035, conducted competitor analysis, and implemented mitigation strategies. Guided alignment of department-level plans, identified and corrected flawed processes, reducing costs by over \$200 million, and ensured compliance with regulations.

EDAW | AECOM
Project Manager / Planner
August 2008 - October 2009 (1 year 3 months)
Alexandria, VA

Led strategic planning projects, including encroachment action plans and master plans, achieving a minimum of 30% profit, surpassing the industry standard of 20%. Managed the development of five strategic plans for the Navy in the Hampton Roads region, valued at over \$1.3 million, requiring thorough market and cost-benefit analysis. Assembled tailored multi-disciplinary teams, provided guidance to other project managers, directed land use constraints analysis, and produced graphics using Geographic Information Systems (GIS). Also managed research on local economies to influence new development and political action.

Garrett College
Director of Institutional Research
August 2007 - August 2008 (1 year 1 month)
McHenry, MD

Responsible for overseeing and guiding the research activities within the institution. Managed the collection, analysis, and interpretation of data related to the college's functions, supporting decision-making processes. Collaborated with various departments to understand research needs, developed research methodologies, and provided insights to enhance institutional effectiveness. Ensured alignment with educational goals and compliance with relevant regulations and standards.

National Center for Smart Growth Research and Education

Research Analyst

August 2005 - July 2007 (2 years)

College Park, MD

Facilitated discussions on land use policy with senior governmental officials, including Governors, Mayors, and corporate CEOs. Conducted research on the economic, political, environmental, and social implications of different land use policies, involving survey development, GIS land use analysis, policy analysis, statistical modeling, and consensus-building exercises. Developed a land density forecasting model using GIS, co-developed a new methodology for strategic visioning exercises, and conducted quantitative analysis on zoning law and land use trends. Contributions included a detailed analysis of encroachment and land use problems faced by Marine Corps Air Station Beaufort, featured at a conference, and facilitation of group discussions between various stakeholders. The methodologies developed were formalized and used nationally.

United States Marine Corps

Air Traffic Control Facility Watch Officer / Procedures Specialist

1996 - 2004 (8 years)

Jacksonville, NC

Led a team of 30 Marines in managing the safe and orderly flow of air traffic in both hostile and friendly environments at military airfields. Coordinated take-offs, landings, and in-flight navigation for military aircraft, ensuring compliance with strict military and federal aviation regulations. Utilized advanced radar and communication systems to provide pilots with real-time instructions and information. Collaborated with other military units and civilian air traffic control centers to maintain situational awareness and respond to emergencies. Played a critical role in supporting military operations, training exercises, and humanitarian missions.

Education

Joint Airport Commission

Board Details

The Commission is an advisory group which provides input from the Community to the Airport Executive Director and the Airport Authority on airport matters, and in turn provides information to the Community on airport matters.

Overview

- ☐ **Size** 4 Seats
- ☐ **Term Length** 3 Year
- ☐ **Term Limit** 2

Additional

Length of Term

All members will serve terms which expire on December 1 of the third year following their appointment. No member will be reappointed who has served as a member for six consecutive years immediately preceding such reappointment.

Frequency/Times for Meetings:

Meetings are held on the second Monday of every other month at at 4 pm at the airport or at the Staybridge Suites Conference Room.

Membership:

There are seven members: three City appointees, three County appointees and one member is appointed by joint action of the City and County, each for a three-year term. The member appointed by joint action shall also serve as a member of the governing body of the Airport Authority. Appointees to fill any vacancy on the Commission resulting from the resignation, etc. of a member shall be for the unexpired portion of the vacant term only. Members are not paid for their service. (See County Code Sections 2-800 through 2-805.). Visit this link to view full membership information:
<http://www.gocho.com/organization-info/board-commission/>

Qualifications

* Shall be a citizen of the County who holds no other municipal or county office; * Shall serve without compensation; * Shall be interested in commercial or general aviation, or both, with a desire to promote airport services within the community.

Albemarle County

Natural Heritage Committee

Board Details

The Natural Heritage Committee is an advisory committee that maintains the County’s Biodiversity Assessment; advises the Board of Supervisors, the Planning Commission, and County staff on applying biodiversity information to land-use decision-making; and supports biodiversity education in the County.

TASKS:

- A. Input on and oversight of the maintenance, expansion, updating, and evaluation of the ongoing Biodiversity Assessment begun by the Biodiversity Work Group, and development of a protocol for assessing changes in the state of biodiversity (with reference to planning goals).
- B. Assistance in staff development of an action plan that specifies detailed steps for achieving protection of biodiversity as outlined in the Comprehensive Plan.
- C. Development of policy recommendations to the Board in response to biodiversity issues and information gathered from the Biodiversity Assessment. The Committee should be consulted on programs, regulations, and Comprehensive Plan changes that may affect biodiversity protection.
- D. Development of educational materials and programs on biodiversity.
- E. Provision of periodic reports to the Board of Supervisors on the state of biodiversity in the County.

Overview

- ☐ **Size** 12 Seats
- ☐ **Term Length** 4 Year
- ☐ **Term Limit** N/A

Additional

Length of Term

Initial appointments will include four four-year appointments, four three-year appointments, and four two-year appointments. Thereafter, appointments will be for four years.

Frequency/Times for Meetings:

Meetings are held on the first Thursday of each month 5:30pm in Room 235 of the McIntire Albemarle County Office Building

Membership:

The Board of Supervisors shall appoint ten to twelve members. Applicants need not be County residents. However, total committee membership should consist of some County residents.

Qualifications

The Committee should include members with expertise or background in one or more of the following fields, to support the Committee's role as a technical advisory group: • natural history (including those with detailed knowledge of local wildlife, plants, and other resources); • terrestrial, aquatic, and landscape ecology; • biological conservation and conservation planning; • population genetics; • forestry; • geology and soils; • geographic information systems for conservation; • science education (adult and youth); • agribusiness. The group should also include local landowners and citizens with interests in biodiversity conservation, farming and forestry, and conservation-oriented rural and urban development. If possible, these general citizen representatives should be residents of the County.
