Charlottesville Area Mountain Bike Club

Interests:

Beyond my job as an elementary school teacher, I like to stay busy. I am interested in many outdoor pursuits. I spend a lot of time on local trails in Charlottesville, walking, running, biking, birding, and enjoying nature and friends. My family and I like to ski and snowboard in the winter. We are also a family that spends time playing music together. We attend music jams and festivals in the area. We like to travel and enjoy camping. I have spent time volunteering on trail building and maintenance days through a local biking organization (CAMBC) and often help lead mountain biking rides mostly for women new to the sport.

Reasons for Seeking to Serve on the Board, Commission, or Committee:

When I was working at Cale (now Mountain View) Elementary, I got involved in the Safe Routes to School program (through VDOT). I spearheaded a Walk/Ride to school annual event. Through that event, many parents expressed interest to me in having a crosswalk so that they would be able to walk/ride to school on a more regular basis. I worked with the county to get a SRTS grant application submitted to create a crosswalk. While I had moved on to another school by the time that the crosswalk was put in, I am very happy and proud every time I use it! I attended a few 5th Street and Avon meetings during that time and became interested in the work that was being done in the area, especially as it related to pedestrian travel. At the time I was living in Orange County. Now that I am living in the county, I am hoping to get involved again. I feel strongly that the 5th and Avon area is a great place to live/work and can be made better still with strategic improvements.
