NOTES: all updated traffic counts as of 01.12.2025; VDOT makes the determination on whether a road is eligible for RRR paving. All projects are placed on the regular paving list until the determination is made by VDOT. [Some projects may not be completed as prioritized due to project complexity and/or available funding]. The BOS prioritizes roads to be paved based on the most traffic counts. If there is a tie, then it goes to which road has had more crashes											\$1,831,000
