Non-Departmental

Pages 205-215

Non-Departmental \$299.5 million

Pages 205-215

Revenue Sharing Agreement with City of Charlottesville

- Total FY 27 payment of \$21.9 M, an increase of \$1.7 M or 8.5%
 - Increase due primarily to growth in the County's 2024 tax base and an increase in the City's tax rate in 2024
- Historical Comparisons
 - Total increase for last three fiscal years is \$6.2 M

Revenue Sharing Agreement with City of Charlottesville

Allocation of Shared Revenue

Board's Adopted Financial Management Policies (p 67)

The County shares the increase or decrease in available shared revenues among the County Government and Public Schools operating, debt service, and capital budgets.

Step 1: Calculate the increase or decrease in General Fund local tax and State non-categorical aid revenues.

Step 2: Adjust the amount from Step 1 for changes in expenses that reduce available shared revenue: City of Charlottesville revenue sharing, Tax Relief programs, Economic Development Authority tax-related performance agreements, the designated transfer to the Water Resources Fund, and the dedicated tax rate increase for public safety.

Step 3: Allocate the remainder 54% to the Public Schools operating budget, 36% to the County Government operating budget, and 10% for the joint debt service and capital budgets.

This guideline may be reviewed annually with Board of Supervisors approval.

December 3, 2025 Joint Board Meeting

How might a high school or other priority capital projects be funded?

Summary

- A. Legislative Priorities: 1% sales tax referendum
- B. Reprioritization of future revenue growth
- C. Reprioritization of CIP
- D. Evaluate unused parcels for highest and best use
- E. Property taxes: rates and/or composition of tax base

Implementation of major capital projects would require combination of these options, partnership, & multi-year planning

FY 27 Recommended Adjustment to Allocation

In recognition of:

- Public Schools' significant State revenue growth
- Public Schools' increased operating costs for opening two new schools in FY 27
- Public Schools' request for increased Capital Improvement Program (CIP) funding
- Preparing for a potential unfavorable Local Composite Index in the future, or other unknown impacts

FY 27 Recommended Adjustment to Allocation

Recommended Transfers to Non-General Funds:

- +\$9.0 M increase in the ongoing transfer to Public Schools
- +\$2.4 M increase in the ongoing transfer to Capital & Debt Service
- +\$6.4 M one-time transfer to capital projects

These Non-General Funds will be discussed further on Monday

Comparison of FY 27 Budgets

<i>Draft</i> Public School Operating Fund	County Executive's Recommended Budget
Assumes a General Fund transfer increase to Public School Operating Fund of \$15.4 million	Recommends a General Fund transfer increase to Public Schools Operating Fund of \$9.0 million
Balanced Public School Operating Fund on a General Fund transfer increase of \$11.3 million	The recommended \$9.0 million transfer increase is \$2.3 million less than the amount to balance the draft Public School Operating Fund
Recommends \$4.1 million to the CIP as one-time transfer • Requests CIP funding for Public School capital projects	Recommends \$6.4 million directly from the General Fund to the CIP as one-time transfer, which is \$2.3 million more than the Public Schools's recommended transfer for CIP • Recommends CIP funding to the "Other" category, projects TBD in future by Board of Supervisors

- Jefferson Area Board for Aging (JABA)
- Piedmont Virginia Community College (PVCC)
- Region Ten

Community Non-Profit Funding

An Evolving Process

Albemarle County Human Services Funding Process (ACHSFP)

- Revised framework for ACHSFP review process initially approved by Board of Supervisors in July 2023 and has been reviewed annually
- Funding first prioritized for programs most directly aligned with 4 emerging needs areas in the Human Services Needs Assessment
 - Family Homelessness
 - Adolescent Mental Health
 - Community Safety
 - Navigation for Seniors

Albemarle County Human Services Funding Process (ACHSFP)

- Applying a prioritization rubric to the recommendations process based upon:
 - Whether the agency contributes to a basic needs safety net or serves a vulnerable population;
 - Whether the program met an identified priority on the Human Services Needs Assessment; and
 - The category of service the program provided (direct urgent response services, prevention services, system leveraging, and/or capacity building).

Human Service Funding Process

FY 27 Recommendations

- ACHSFP: volunteer community members & County staff who review human services community non-profit agency requests, but do not make funding recommendations
- Programs applying for funding in the ACHSFP were organized into Tiers based upon the prioritization rubric.
 - Tier 1 – Direct service and impact on basic needs and vulnerable populations
 - Tier 2 – Important and Critical Services (basic needs or vulnerable populations)
 - Tier 3 – Positive Impact and protective community factors
 - Tier 4 – Preventative Community Programs

Transit Agency Contributions

- **Charlottesville Area Transit (CAT)** increases by \$561,809, with the increase primarily due to:
 - Increased salary and benefits costs including market and health care costs
 - The addition of new FTEs, which includes 10 new Transit operators
- **MicroCAT** increases by \$142,000 to represent the full year operational costs based upon the current contract.
 - Began as part of multi-year demonstration grant
 - FY 26 is the first year of 100% County funding for the service
 - FY 27 is the first year not governed by the conditions of the grant

MicroCAT Fares Recommendation

- **Recommendation:** Start with a simple fare that will increase revenue with some potential to improve service efficiency

Passenger Type	Current Fare	Proposed Fare*
Single passenger	\$0	\$2.00
Additional passengers	\$0	\$1.00
Concessions for specific passengers, e.g. seniors	\$0	\$1.00

*Flat fare for single rider bookings, plus \$1.00 for each additional passenger.

Pricing rationale: Minimum fare of \$2.00 matches the national benchmarked average, plus a \$1.00 discounted fare for each additional passenger.

Ridership Impact: While fares may slightly reduce *demand* in short term, we project that *ridership* will only fall by 2-3%, given that there is a high unmet demand rate and therefore ongoing opportunity to fulfill more rides of this uncaptured demand pool.

Transit Agency Contributions

- **Jaunt** is level funded in FY 27 to provide the County's share of the costs for existing services
- **Charlottesville Albemarle Regional Transit Authority (CARTA)** provides for ongoing operations at \$29,007
- **Afton Express** continues ongoing operations at \$5,241

- Reflects County's share of existing library systems costs per regional agreement

Charlottesville Albemarle Convention & Visitors Bureau

- Decrease \$17,463k or of 1.3% based on regional agreement
- Funded by related transient occupancy tax revenues

Cultural, Arts & Festivals Agencies

12 Agencies funded

Total recommended budget of \$82,500

- Framework for Cultural, Arts & Festival review process initially approved by Board of Supervisors in July 2023 and reviewed annually.
- Eligibility criteria same as other agencies
- Agencies classified into one of four categories:
 - Larger programs that bring visitors & support local economy
 - Smaller local cultural programs
 - Arts-focused
 - Recreational or educational opportunities
