

PUBLIC COMPLAINTS

A complaint involving a particular school or employee of that school shall first be handled within the school through the process established by School Board Policy. If the complaint cannot be resolved at the ultimate level of the principal, it shall be referred to the Superintendent/designee. If the central office staff and complainant cannot reach a satisfactory solution, the matter may, at the Board's discretion, be heard at a regular Board meeting.

Any parent, custodian, or legal guardian of a pupil attending Albemarle County Public Schools who is aggrieved by an action of the Board may, within thirty days after such action, petition the local circuit court to review the action of the Board. The court will sustain the action of the Board unless the Board exceeded its authority, acted arbitrarily or capriciously, or abused its discretion.
