

SCHOOL BOARD MEMBERSHIP

The School Board of Albemarle County shall be composed of seven members who are elected. One member shall be elected from each of the six magisterial districts and one member shall be elected from the county at large.

At the time of his election to office, each member of the School Board must be a bona fide resident of the magisterial district which he is to represent, if the election is by district, or of the school division, if the election is at large, and if he shall cease to be a resident of the division or district, his position on the School Board shall be deemed vacant.

In the event of a vacancy in an unexpired term of any appointed School Board member, a replacement shall be elected at the next regularly scheduled general election to fill the remainder of the term. No special election shall be held, however, if the general election at which it is to be held is scheduled in the year in which the term expires.

A vacancy in the office of any elected School Board member shall be filled pursuant to Sections 24.2-226 and 24.2-228.

The term of each member shall be four years. No employee of the School Board shall be eligible to serve on the Board by whom he/she is employed.
