

FACULTY MEETINGS

Attendance at faculty meetings and other meetings called by the administrative staff is a duty and shall be regarded as a part of the working day of those employees of the Board asked to attend. Attendance at these meetings shall be mandatory unless the employee is specifically excused by the person calling the meeting. [Any non-exempt employee required to attend a work-related meeting shall be compensated for the meeting time in accordance with the Fair Labor Standards Act.](#) Normally, faculty meetings will be scheduled in advance so that teachers can schedule personal time to accommodate attendance.
