

EDUCATION AGENCY RELATIONS GOALS

It is the general goal of the division to support the educational endeavors of other institutions whose goals are compatible with those of the division.

In its relationship to other educational institutions, the school division will strive to stand as a partner and colleague in such ways as described below.

I. Post-~~Secondary~~~~High-School~~ Educational Institutions

- A. Within its resources and according to abilities and efforts of each individual student, the school division will prepare students for successful experiences in post-~~secondary~~~~high-school~~ educational institutions.
- B. To the extent appropriate and applicable, the school division will utilize the resources of post-~~secondary~~~~high-school~~ educational institutions for the development of its own staff and for the academic achievement of its students.
- C. The school division will cooperate with post-~~secondary~~~~high-school~~ educational institutions in selected areas of research and experimentation which have the potential to increase the effectiveness of teacher preparation or staff development and/or which directly improve the local instructional program.
- D. The school division will share the responsibility for preparation of teachers and other school workers with institutions of higher education.

II. Other School Divisions

- A. The school division will work cooperatively with other school divisions in selected programs which can be better done in cooperation than by single divisions acting alone.
- B. The school division will assume appropriate responsibility for improving the climate for education in the state and nation, particularly with reference to expanding the fiscal base, providing for efficient expenditure of funds, and bringing about state or federal legislation which improves education or contributes to division goals.

~~H.III.~~ The school division will cooperate with professional educational organizations recognized by the division as important forces for the improvement of education.

~~III.IV.~~ The school division will cooperate with institutions such as educational service units and regional laboratories whose aims are to improve the education of children, when their programs are in keeping with, or contribute to, the goals of the division.
