Dear Cathy:

It is with both regret and anticipation that I submit this letter of resignation, effective at the end of the 2009-2010 school year. I have decided to further my education in pursuit of a PhD in the Language, Literature, and Cultural Studies program at the Curry School of Education at the University of Virginia.

Monticello High School has been and will always be a special place and I cherish the six years that I have spent here. I wish you and the entire Monticello community the best in the years to come.

Sincerely,

John C. Baran, Jr.

Dear Ms. Suyes,

This is a letter of resignation for the purpose of retirement from my art teaching position at Albemarle High School within the Albemarle County Public School Division. My retirement takes affect at the end of the 2009-2010 academic school year.

It was a privilege and an honor to teach the talented students of Albemarle County. The excellent teaching learning environment resulted from all county personnel from the superintendent, principals, colleagues and staff working together to provide the very best for all students.

Again, thank you for the opportunity to have been a part of a great school division.

Sincerely,

A handwritten signature in cursive script that reads "Kathleen E. Burg". The signature is written in dark ink and is positioned above the printed name.

Henley Middle School

Dear Patrick,

Forty years have FLOWN by and I have learned much more than I have taught to children! It has been a marvelous ride, full of wonder, excitement and fun—a few frustrations and challenges too.

Working to solve problems for children has been enriched by great colleagues, especially those that I have worked with here in Albemarle County.

I hope to continue to work with some of these good people by volunteering with Susan, Tessa, and Margie next year as they continue to establish the garden here at Henley.

But, my own garden beckons, France and Great Britain are expecting me to visit, my reading list is long! There is so much to do that I just have to retire! Thankfully, I live five minutes away and can visit often to make sure that you are all doing what you are supposed to do.

Please forward this to those people who need to know. I have already begun the process with Claudine and will be turning in my packet to her next week.

Sincerely,

Victoria L. Don

Dear Ms. Suyes,

This letter is to inform you of my resignation as a teacher at Monticello High School and from Albemarle County Public Schools at the end of the current contract year (2009-2010). I will be retiring after working for ten years at Monticello High School as a Family and Consumer Sciences teacher and as a Special Education Teacher. It will be sad to leave a place with so many wonderful students and faculty. I wish Albemarle County Public Schools much success in the future.

Sincerely,

Mary Leslie White
