

**Albemarle County School Board
2010 Annual School Board Retreat
VSBA Conference Room
June 7, 2010
8:30 a.m. – 4:00 p.m.**

Goals:

By the end of the Retreat, the Board will identify priority areas for “next generation” innovation that supports the graduate of 2023 in learning what is important for entering college/workforce.

By May of the 2010-11 School Year, Board staff will have initiated the Baldrige “Plan, Do, Study, Act” continuous improvement model to initiate and leverage essential shifts in policy and strategic priorities and actions needed to address the change challenges identified by the Board.

8:30 a.m. – 10:15 a.m. Call to order/Visioning 2023

Personal Response: What is the story we want to write for the graduates of 2023? If each chapter was written by a graduate of class beginning in 2013, what would we want them to say?

Tell us a digital story. What “21st century” change challenges have you experienced in your own life- church, workplace, family- included extended family? What created these challenges or challenge? (in small groups-talk with each other- digital story)
