**Issues Brief
Revised Board Priorities**

After the Board's engagement in analysis and discussion at the annual Board Retreat about critical future directions for establishing Priorities for the 2011-13 strategic planning cycle, staff presented draft language for Board Priorities as well as proposed Strategies at the June 9th Regular Board Meeting. Following the June 9th meeting, staff modified Priority language to incorporate Board feedback. At the June 16th End-of-Year Leadership Team Retreat, staff also shared Board Priorities as well as proposed Strategies and Key Performance Indicators with the Leadership Team for their review and feedback. Leadership Team members provided feedback in breakout groups using a common template. A copy of the template is attached to this agenda item for reference along with a summary of feedback from the Leadership Team. The Board is asked to review and approve the Priority Language presented on the following page. The Priorities drive both strategic action over the biennium as well as the establishment and approval of Strategies and Key Performance Indicators.
