

SCHOOL BOARD REPRESENTATION BY CONTRACTED LAW FIRMS*

All other Virginia school divisions not listed in Attachments “1” and “2” are believed to seek legal services, if at all, from contracted law firms, including the following peer divisions from Albemarle County’s competitive market:

Fauquier County	\$100,000 budgeted
James City County	\$100,000 budgeted
Roanoke County	\$231,000 budgeted
Spotsylvania County	\$96,732 budgeted

** Many school divisions contract with law firms in addition to receiving services from their in-house counsel/local government attorney’s office. This attachment covers only those divisions that rely solely on contractual services provided by law firms.*
