

EXECUTIVE SUMMARY

Subject: Update on Cellular Antenna Proposal

- The Albemarle County Board of Supervisors approved the monopole tower proposed on the property of Scottsville Elementary School on August 2. Proposed AT&T monopole towers were also approved for two locations on private property along Route 20 north of Scottsville Elementary.
- Transportation staff is preparing maps of current AT&T coverage and gaps in coverage over our bus routes serving Scottsville Elementary, Yancey Elementary, Walton Middle, and Stony Point Elementary Schools. The impact of new transmitters to improve coverage for our GPS system will be estimated.
- The Board may take action on a motion(s) to approve the proposed transmitters on all or a portion of the four proposed locations.
- Division and County legal staff are negotiating terms of proposed contracts with AT&T. Specific terms will be discussed in closed session.
