Subject: Class A Home Occupation permit for Jessalyn Fink

Dear Mr. Gatobu,

I understand that Jessalyn Fink has applied for modification of her Class A Home Occupation permit so that she may train more students to play piano at 1077 Highlands Dr in Charlottesville, VA.

I am writing to let you know that as the President of the Highlands at Mechums River Owners Association (of which she is a member), I have no concerns regarding her plans to expand her lesson schedule. She is in compliance with the Association's regulations and there have been no concerns or complaints registered by her neighbors in the past. As her friend, I am impressed by her ambition and fully support her goals.

Please let me know if you need more information from me in order to move forward with her permit.

Sincerely,
Pamela Bortz
HMROA President
