

Section 33.4 (r) (2) of the Albemarle County Zoning Ordinance:

*“When application deemed withdrawn.* An application shall be deemed to have been voluntarily withdrawn if the applicant requested that further processing or formal action on the application be indefinitely deferred and the commission or the board of supervisors is not requested by the applicant to take action on the application within one (1) year after the date the deferral was requested. Upon written request received by the director of planning before the one (1) year period expires, the director may grant one extension of the deferral period for a period determined to be reasonable, taking into consideration the size or nature of the proposed use, the complexity of the review, and the laws in effect at the time the request for extension is made. Upon written request received by the clerk of the board of supervisors before the extension of the deferral period granted by the director expires, the board of supervisors may grant one additional extension of the deferral period determined to be reasonable, taking into consideration the size or nature of the proposed use, the complexity of the review, and the laws in effect at the time the request for extension is made. The timely receipt by the clerk of the extension request shall toll the expiration of the extended deferral period until the board acts on the request.”
