# *Albemarle Limousine & Travel Service, LLC*

Dear CACVB Board,

The CACVB plays an important role in developing central Virginia's thriving tourism industry. Tourism is a vital part of our economy and has a large impact on employment and local business success. I am very happy to apply for a position on the board of the CACVB.

In 2008 I founded Albemarle Limousine with the ambitious goal of offering a client-focused transportation service built on safety, reliability, and responsiveness. Since our inception, we have been a "gazelle company," on average doubling in revenue each year. We currently employ over 60 Virginians, and are expanding to a second location.

Our #1 ranked Trip Advisor activity, Blue Ridge Wine Excursions, has provided over 2,300 wine tours to over 14,000 people.

In 2013 we published a wine trail guide featuring the human-interest stories of the entrepreneurs who forged the Virginia wine industry. In 2014 we unveiled Blue Ridge Excursions Unlimited providing a variety of tours focused on:

- Culinary Tourism
- History
- Agritourism
- Microbreweries
- Distilleries

The destination wedding industry is also one of our significant service areas. We have provided service for over 500 weddings, with approximately 80,000 guests, to over 40 local venues.

Quality growth in local tourism is an invaluable asset to our local economy. I look forward to working with CACVB to ensure continued success of its vital mission.

Sincerely,

Andrea E. Saathoff
