FROM: Sarah Baldwin, Senior Planner

DATE: October 23, 2015

RE: ZTA201500007 Wireless – Public Notice

The Albemarle County Planning Commission, at its meeting on October 6, 2015, held a public hearing on the above noted petition to receive comments on its intent to recommend adoption of an ordinance that would amend Sec. 18-5.1.40, Personal wireless service facilities; collocation, replacement, and removal of transmission equipment, of Chapter 18, Zoning, of the Albemarle County Code.

The Planning Commission recommended approval of ZTA201500007, by a vote of 7:0, as recommended by staff, as amended, with direction to staff that the content of the letter of notice also specify the entity doing construction (contractor), the contact person and number, the overall or approximate schedule of the work, and also include some additional language to be developed by staff.
