Dear Mr. Taylor,

Walton Middle School Staff and Students would like to take this opportunity to thank you for delivering the 20 ton of #3 stone to our school on Friday, December 2, 2011. Your donation of time and hauling costs from Martin Marietta Stone on Red Hill Road are very much appreciated. The APO UVA student organization almost completed the project and we will be working on it over the next few weeks.

We have had many positive comments from staff, students, parents and community members about how this improved the area under our big tree.

Once again, thank you for giving to our Walton community.

Sincerely,

A handwritten signature in cursive script that reads "Frances Wood".
