Subject: Piano Donation

Hi Cyndi,

I got your name from Mark Green as the person I should contact
regarding

the possibility of donating a baby grand piano to a Albemarle County school who is in need of one. We have a fully restored Bush & Lane 5 ft piano with real ivory keys and a beautiful sound. We are renovating our home and no longer have a place for it and instead of selling it we would prefer to donate it.

We have children at Murray Elementary and Western Albemarle. Although Murray would love to have it- they just don't have the space. Is there another school who is in need and can accommodate it?

If so, we are happy to pay for the transport of it by Charlottesville Piano. I look forward to hearing from you.

Thanks,

Kristin Landis

Kristin,

I have good news for you. We have found a school out in the Western Feeder Pattern that is excited to give your piano a new home: Brownsville Elementary. :-)

Please coordinate with India Haun, principal and/or Blair Jones, music teacher, to setup delivery. I have copied them both on this e-mail. I can also connect you with Jackson Zimmerman who can get you a tax-receipt if you'd like one.

Thank you, again, for sharing this treasure with us. Your gift will impact over 700 children of Brownsville Elementary.

Thanks again!

Kristin,

This is wonderful news! Thank you so much for this incredibly
generous
offer!!!!

I will contact a few schools and will be back in touch with you in a
few
