***Albemarle County***  
***Board of Supervisors & School Board Shared Priorities***

- Request full funding for state mandates in all areas of local government including the Standards of Quality (SOQs) and other mandates imposed on local school divisions.
- Support legislation granting counties taxing powers equal to those granted cities and towns, without decreasing, limiting or changing city and town taxing authority
- Support legislation to amend the Composite Index Funding Formula by re-defining the local true value of real property component of the formula to include the land use taxation value of real property rather than the fair market assessed value for those properties that have qualified and are being taxed under a land use value taxation program
- Request the General Assembly to amend Virginia Code Section § 46.2-844 to allow for service of summonses by mail for violations of passing stopped school buses recorded by school bus video monitoring systems similar to the authority in Virginia Code Section § 15.2-968.1, for the service of summonses for running red lights recorded by a traffic signal enforcement program.
- Support legislation to move the annual date for June primary elections in the Commonwealth from the second Tuesday in June to the third Tuesday in June to avoid conflicts between local election administration and local school systems, where schools serve as voting precinct polling places
