COMMUNITY USE OF SCHOOL FACILITIES

The School Board believes in the full and best possible utilization of the physical facilities belonging to the citizens of the County. To achieve this end, the use of school facilities for school and student-related activities as well as by outside organizations and groups shall be encouraged when these activities will not interfere with the educational program in the schools.

Safety of citizens, students, and employees and care of school property shall be primary considerations in the use of school facilities. The Superintendent or designee reserves the right to deny usage or terminate an existing contract in accordance with this policy. Failure to pay promptly all rental charges or damages may be considered sufficient grounds for refusal to grant further use of school property to an applicant.

A. Eligible Organizations

The Board has classified various organizations and groups for the purposes of establishing priority for use and for the charging of fees.

1. Classifications

Type I Organizations

- School and School Division sponsored organizations for activities related to School Division programs or business;
- Associated organizations, such as PTOs/PTAs and Booster Clubs, for activities supporting School Division programs;
- Youth organizations, such as Boy Scouts, Girl Scouts, YMCA, and 4-H Clubs for programs, meetings and activities that do not require a direct fee for participation in such activities;
- Albemarle County Local Government agencies and departments for programs and activities serving Albemarle County citizens;
- Virginia High School League for District and Regional athletic events; and
- Albemarle County neighborhood associations for meetings of less than 30 people.

Type II Organizations

- YMCA Summer Programs.

Type III Organizations

- Other YMCA fee-based programs and other activities by organizations not covered by Types I and II.

2. Membership

The membership of any group or organization requesting the use of school facilities must be largely from the County of Albemarle. This restriction does not exclude the use of certain facilities, as determined by the Superintendent, by state and national organizations that have a local sponsoring division of such organization.

B. Applications and Approval

Applications must be sponsored by reputable and established clubs, societies, or organizations that reasonably can be held responsible for the payment of charges, compensation for damages to property, and use of the property in reasonable conformity with regulations on the application. All groups using School Division fields or gymnasiums for activities not sponsored by the Albemarle County Department of Parks and Recreation (“Parks and Recreation”) must complete a Building Rental Application. These groups will be subject to established rental and personnel fees.

In no cases may school property be leased to individuals or in ways contrary to the County’s zoning ordinance or any other ordinance, law, or regulation. Commercial use of school property by any organization or individual is also expressly forbidden unless approved by the School Board.

The Board authorizes the Superintendent or designee to approve all applications for the use of school facilities that meet the requirements of the Board, this policy, and any other implementing regulations the Superintendent may issue in accordance with this policy in order to protect school property. The Superintendent or designee shall design such application forms as are required. The completed and signed form shall be a binding agreement upon the applicant and the School Division. The School Division reserves the right to deny usage of a facility if the application is received less than three (3) business days prior to the start of the event. No rental application will be considered more than six months prior to the desired rental date. Parks and Recreation may submit applications for the whole season in advance. Field rental may be restricted to four days per week or less to allow fields to rest and to provide for informal use.

School organizations and PTA's/PTO's, followed by Parks and Recreation Department, have priority usage of all school facilities.

The Superintendent/designee reserves the right to limit use of School Division facilities during school vacations.

School Division facilities are not intended to be permanent locations for Type III organizations. Therefore, a Type III organization using School Division facilities for more than forty (40) days per year for three (3) consecutive years may be required to show evidence of plans to provide its own facility as a condition of use beyond the third year.

The School Division reserves the right to cancel a rental contract up to ten (10) days prior to a scheduled rental in the event of an emergency, adverse weather conditions, or a violation of this policy. Use of schools will automatically be canceled when schools close due to inclement weather or emergency conditions.

High school athletic directors, in consultation with their principals, will make all decisions concerning the closure of these fields to use by outside groups due to weather conditions or for other reasons. Parks and Recreation will make these decisions for all other fields. Groups that do not abide by these decisions may lose the privilege of using school athletic fields at the Superintendent's or designee's discretion.

—The use of athletic fields on school property and school gymnasiums for activities not sponsored by Parks and Recreation or during times not scheduled for use by Parks and Recreation will be subject to established rental and personnel fees.

No equipment or furnishings may be used or moved without the consent of the employee in charge if such usage is not in conformity with the contracted agreement.
