

~~SCHOOL CENSUS~~

~~The School Board shall assure that, every three years, a census is taken of all persons who have reached age five on or before December 31 immediately following the census and who have not reached age 20 residing within the Albemarle County School Division.~~

~~On the recommendation of the Superintendent, the Board shall appoint agents to take the census. Each agent shall receive compensation for his services from school division funds, in an amount to be fixed by the Albemarle County School Board. A reasonable travel allowance may be allowed at the discretion of the Board.~~
