2nd Quarter Property Donations

DONATED PROPERTY:

Jessica Dunivan and Samuel Flowers donated a supine stander with table. The Department of Special Education has accepted the donation of a Tumbleform Brand Supine Stander and its matching tray table. The child can be oriented in any angle from 15-90 degrees. The molded modules are seamless, impervious to body fluids, and wipe clean. They are adjustable cushions and secure the person at the trunk, knees, hips, and feet. Also, the positioning modules can be ordered separately allowing you to adapt the stander to your needs.

The Activity Tray provides a work surface for writing, playing, or drawing that can roll up to the individual challenged by physical, mental, or lack of visual ability. It is adjustable in height and can adjust to any angle to promote an upright posture. The tray is covered with Tumble Forms non slip material, and there is plenty of room on the work surface for someone to interact and help with activities. The tray is mounted to a tough heavy duty baked enamel steel frame with locking swivel casters.

This generous donation will benefit many student's with special needs.
