Hi Jay,

I hope you're doing well. I just wanted to let you know that an opportunity has come up for me outside of the division and it is something I feel I must pursue based on my career goals as an educator. Please know that this was not an easy decision for me to make and it is something I have agonized over. I really appreciate you giving me an opportunity at AHS and I am truly sorry for any inconvenience this causes you in the hiring process. I can be available to speak on the phone at any time.

Thank you,

Brian Kayser

Dear Ms. Crummie,

I regret to inform you that I am resigning from my position as Art Teacher at Crozet Elementary and I will not be returning to teach in the fall.

Although I have enjoyed working at Crozet, personal and financial reasons necessitate that I leave my position and focus on looking for a full-time position and attending to other personal matters, such as getting married.

I truly appreciate the opportunity and support that you have given me over the past two years. I have enjoyed my time here very much and I wish you the best.

Sincerely,
Kirsten Perry

June 6, 2014

I write to resign my position as a Speech/Language Pathologist with Albemarle County Schools. While I have found great pleasure in my work here, I do not wish to renew my contract for the upcoming 2014-2015 school year.

I have been greatly rewarded by having the good fortune of working in such a dynamic system that is at the forefront of a great many positive changes in the field of education. Likewise, my children have been greatly challenged by the high caliber of educators who have taught them since their elementary, and into their high school years.

Since I began here in 1991, I have had many opportunities to continually develop my skills as a Speech/Language Pathologist, and I have learned a great deal from many superb colleagues and administrators. I would be remiss if I didn't in particular express my gratitude for the wonderful leadership of Dr. Pamela Moran, our superintendent, my two very dear friends and SLP mentors Ms. Linda Hogle, and Ms. Pat Johnson, our fantastic Director of Special Services, Mr. Kevin Kirst, and my two current principals who always "have my back", Ms. Lisa Molinaro, and Dr. Nick Smith. These dedicated educators are just a few of the many talented individuals who make such a difference everyday in the lives of our precious children, and who I will always hold in high esteem as I move into a new direction in my career.

Thank you for the many wonderful years that I have served as a Speech-Language Pathologist with Albemarle County Schools. As I relocate to pursue a position with another school system just up the road, I trust that perhaps our paths will cross again, as we continue the important work of educating our children to become life-long learners who will thrive in our global society.

Please note that a signed copy of this letter will be mailed today. Again, I thank you.

Fondly,

Angela D. Beverly, M.S., CCC-SLP
