

VANDALISM

The School Board may take action against a pupil or the pupil's parent for any actual loss, breakage, or destruction of or failure to return property, owned by or under the control of the School Board, caused or committed by such pupil in pursuit of his studies. The School Board may institute action and recover from the parents or either of them of any minor living with such parents or either of them up to \$2,500 for damages suffered by reason of the willful or malicious destruction of, or damage to, public property by such minor.

The School Board urges staff, students and the public to cooperate in the reduction of vandalism by reporting incidents of vandalism and the name of any person(s) believed to be responsible.

In addition, a student who damages or destroys public property will be subject to whatever disciplinary action is deemed necessary and advisable by the school principal.
