Subject: Leave of Absence

Dearest India, Gwedette and Rusty,

Thank you for your patience in regards to my Leave of Absence for next year. The judge gave his ruling today, and we got full custody of the boys. We are feeling very fortunate and relieved. I would like to request a Leave of Absence for next year. We would like to let the boys finish their last year of middle, and elementary school respectively here in Northern Virginia. I plan to continue my work in elementary ESOL here in Fairfax County and to bring that knowledge, perspective and experience back with me to our community in Albemarle County. I wish you a very fruitful and joyful next year, and look forward to returning.

Sincerely,

Leora
