2. Porches, eaves and awnings shall be considered part of the structure and shall not extend closer to the street than the required setbacks.
3. The precise number of minimum required parking spaces shall be determined at the site plan phase of development depending on density, types of residential units, and commercial uses pursuant to Section 4.12.6. Minimum parking requirements may restrict some uses that historically require large amounts of parking. Multiple parking alternatives per Section 4.12 of the Zoning Ordinance may be utilized during the site plan phase of development as determined by the Zoning Administrator.
4. Minimum building separation shall be required per Section 4.11 of the Zoning Ordinance.

5. Any primary residential structures in Block 1 shall face Belvedere Boulevard.
6. The applicable setbacks for Block 2 shall be measured from the edge of Amenity Area D.
7. Pursuant to Section 32.7.9.7, the parking areas along the northern and southeastern boundaries of the subject property are required to be screened. In addition to Section 32.7.9.7(b), the Applicant shall provide three different reasonable types of screening options to each of the following groups, for each of the following locations, as follows:
  - a. For the screening in Block 1 at the southeastern boundary of the Property, to (1) the Shephard's Ridge Homeowners' Association which consists of residents immediately adjacent to the Property,
  - b. For the screening in Block 2 at the southeastern boundary of the Property, to (2) Warren M. and Virginia M. Stallings, the owners of Tax Map Parcel 062F0-00-00-31300 (2033 Shephard's Ridge), and/or their successors or assigns, and
  - c. For the screening along the northern boundary of the Property, to (3) the owners of the three parcels across Shephard's Ridge Road from the Property: (A) Kent J. Rychcik Living Trust and Susan W. Rychcik Living Trust, the owners of Tax Map Parcel 062F0-00-00-28100 (2050 Shepherd's Ridge), and/or their successors or assigns, James G. and Betty D. By a majority vote at a duly authorized meeting of the members of the homeowners' association, and the individuals/entities listed in (2) and (3) above, the applicable parties shall choose one of the three screening options provided for each of the three locations listed above.

At minimum, at least one of the options provided shall include a fence up to seven feet in height (or taller, if the parties agree). Such meetings shall be called within thirty (30) days of receipt of written notice from the Applicant and/or its assigns. In addition, such approval shall not be unreasonably withheld, delayed or conditioned. If the Applicant does not receive a response within thirty (30) days of receipt of the Applicant's written notice, such lack of response shall be considered an approval of any or all of the options provided.

8. Dumpsters and Dumpster Pads on the Property shall be screened pursuant to Section 4.12.19.

9. The Applicant shall be required to provide onsite treatment of 25% of the required stormwater treatment. Such techniques of treatment shall include pervious pavers, micro bioretention, or other approved measures.

## **VI. Supplementary Regulations – Residential Uses and Affordable Housing**

1. 15% of the total residential dwelling units within the project shall be Affordable Dwelling Units (the "15% Affordable Housing Requirement"). The 15% Affordable Housing Requirement may be met through a variety of housing types, including but not limited to, for-sale units or rental units.
2. **For-Sale Affordable Dwelling Units.** All purchasers of the affordable units shall be approved by the Albemarle County Community Development Department or its designee ("Community Development"). A for-sale Affordable Dwelling Unit shall mean any unit affordable to households with income less than eighty percent (80%) of the area median income (as determined by the U.S. Department of Housing and Urban Development (HUD) from time to time) such that housing costs consisting of principal, interest, real estate taxes and homeowners insurance (PITT) do not exceed thirty percent (30%) of the gross household income; provided, however, that in no event shall the selling price for such affordable units be more than sixty-five percent (65%) of the applicable Virginia Housing Development Authority (VHDA) maximum sales price / loan limit for first-time homebuyer programs (the "VHDA Limit"). The Applicant or its successor shall provide the County or its designee a period of ninety (90) days to identify and prequalify an eligible purchaser for the for-sale Affordable Dwelling Units. The ninety (90) day period shall commence upon written notice from the Applicant or its successor that the unit(s) will be available for sale. This notice shall not be given more than sixty (60) days prior to receipt of the Certificate of Occupancy for the applicable for-sale Affordable Dwelling Unit; the County or its designee may then have thirty (30) days within which to provide a qualified purchaser for such for-sale Affordable Dwelling Unit. If the County or its designee does not provide a qualified purchaser during the ninety (90) day period, the Applicant or its successor shall have the right to sell the unit(s) without any restriction on sales price or income of the purchaser(s). This shall apply only to the first sale of each of the for-sale Affordable Dwelling Units.
3. **For-Rent Affordable Dwelling Units.**
  - a. **Rental Rates.** The net rent for each rental housing unit which shall qualify as an Affordable Dwelling Unit ("For-Rent Affordable Dwelling Unit") shall not exceed HUD's affordability standard of thirty percent (30%) of the income of a household making eighty percent (80%) of the area median income (as determined by HUD from time to time). In each subsequent calendar year, the monthly net rent for each For-Rent Affordable Dwelling Unit may be increased up to three percent (3%). The term "net rent" means that the rent does not include tenant-paid utilities or Homeowners Association fees. The requirement that the rents for such For-Rent Affordable Dwelling Units may not exceed the maximum rents established in this Section shall apply for a

period of ten (10) years following the date the certificate of occupancy is issued by the County for each For-Rent Affordable Dwelling Unit, or until the units are sold as low or moderate cost units qualifying as such under either the VHDA, Farmers Home Administration, or Housing and Urban Development, Section 8, whichever comes first (the “Affordable Term”).

- b. **Conveyance of Interest.** All deeds conveying any interest in the For-Rent Affordable Dwelling Units during the Affordable Term shall contain language reciting that such unit is subject to the terms of this Section. In addition, all contracts pertaining to a conveyance of any For-Rent Affordable Dwelling Unit, or any part thereof, during the Affordable Term shall contain a complete and full disclosure of the restrictions and controls established by this Section. At least thirty (30) days prior to the conveyance of any interest in any For-Rent Affordable Dwelling Unit during the Affordable Term, the then-current Owner shall notify the County in writing of the conveyance and provide the name, address and telephone number of the potential grantee, and state that the requirements of this Section have been satisfied.
- c. **Reporting Rental Rates.** During the Affordable Term, within thirty (30) days of each rental or lease term for each For-Rent Affordable Dwelling Unit, the Applicant or its successor shall provide to the Housing Office a copy of the rental or lease agreement for each such unit rented that shows the rental rate for such unit and the term of the rental or lease agreement. In addition, during the Affordable Term, the Applicant or its successor shall provide to the County, if requested, any reports, copies of rental or lease agreements, or other data pertaining to rental rates as the County may reasonably require.
4. **Tracking.** Each subdivision plat and site plan for land within the Property shall designate lots or units, as applicable, that will satisfy the 15% Affordable Housing Requirement. Such subdivision plat(s) or site plan(s) shall not be required to identify the method by which the 15% Affordable Housing Requirement will be satisfied. The aggregate number of such lots or units designated for affordable units within each subdivision plat or site plan shall constitute a minimum of fifteen percent (15%) of the lots or units in such subdivision plat or site plan, unless such subdivision plat or site plan does not contain any residential uses. The Applicant, at the Applicant’s option, may accelerate the provision of affordable units ahead of the 15% Affordable Housing Requirement and shall be entitled to receive credit on future subdivision plat(s) or site plan(s) for any such units provided beyond the 15% Affordable Housing Requirement.
