To Whom It May Concern:

We, the Albemarle County Board of Supervisors, understand that the Albemarle Commonwealth Attorney's Office has applied for a BAMA Works grant, seeking seed funding for a restorative justice pilot project, and are writing in support of their request.

Restorative justice provides a response to crime that puts victims first and holds offenders accountable to take responsibility and make things right. Restorative justice promotes healing and reduces trauma for victims, offenders, and the community at large, and we are pleased that the Commonwealth's Attorney is pursuing restorative justice in our community.

Thank you for your consideration of the Albemarle Commonwealth Attorney's restorative justice diversion pilot project and their application for your grant.

Sincerely,

A handwritten signature in blue ink, appearing to read "Ned L. Gallaway", is written over a horizontal line.

Ned L. Gallaway, Chair  
Albemarle County Board of Supervisors
