MEMORANDUM

TO: Architectural Review Board
FROM: Margaret Maliszewski, Planning Manager
RE: **ARB-2021-130: Stonefield D1 Amendment**
Other Business Item for the November 15, 2021 ARB Meeting
DATE: November 8, 2021

The County has received an application for a Countywide Certificate of Appropriateness (staff level review) for an amendment to the approved design of the Stonefield D1 apartment building. The changes are listed in the memo contained in Attachment 1 and illustrated in the drawings contained in that attachment. Most of the changes are changes in color, generally from darker to lighter shades. Staff consulted with the ARB chairperson on the proposal and it was determined that the color changes warrant input from the full ARB.
