11. Add the standard plant health note to the site plan. "All site plantings of trees and shrubs shall be allowed to reach, and be maintained at, mature height; the topping of trees is prohibited. Shrubs and trees shall be pruned minimally and only to support the overall health of the plant."	This note was added to Sheet L100 – Landscape Drawings Key Plan in Second Submission. It has now also been added to Sheet C0.0 Cover Sheet of Site Plan Drawings. Please advise of specific Sheets if this note should be placed in additional locations.
12. Note that separate building permit applications are required for all signs. No signs are approved with this submittal.	Noted
