Title:	Resolution to appropriate State Historic Resources Grant Funds to Jefferson School African American Heritage Center - \$500,000 (1 of 2 readings)

Background

The Department of Historic Resources (DHR) is the State Historic Preservation Office of the Commonwealth. DHR fosters, encourages, and supports the stewardship and use of Virginia's significant architectural, archaeological, and historic resources as valuable assets for the economic, educational, social, and cultural benefit of citizens and communities. A significant responsibility is the administration and review of state and federal historic preservation grant programs for financial and programmatic compliance. DHR is authorized to administer state grants to non-state agencies under the Code of Virginia.

Located in the Jefferson School City Center, The Jefferson School African American Heritage Center's mission is to honor and preserve the rich heritage and legacy of the African-American community of Charlottesville-Albemarle, Virginia and to promote a greater appreciation for, and understanding of, the contributions of African Americans and peoples of the Diaspora locally, nationally and globally. The Center features a permanent historical exhibit, a rotating contemporary art gallery, and a robust calendar of events, all of which combine to highlight Charlottesville's African American history and culture of the African diaspora.

The Commonwealth of Virginia through the Department of Historic Resources will provide \$500,000 to the Jefferson School African American Heritage Center for the exclusive support of the Jefferson School African American Heritage Center Operations and Center for Local Knowledge project.

Discussion

Funds will be used to support operating cost and for staffing for the Center for Local Knowledge. The JSAAHC's programs acknowledge the reciprocal relationship that give rise to local public history while emphasizing the reality that our research into our community narrative must have an impact on social change. A core purpose of the Center for Local Knowledge is to give voice to local authority by uplifting and amplifying local custodians of the history, memory and lived experiences. We

understand that our past informs our present and our future. Thus, JSAAHC endeavors to make our research accessible and useful to improving the lives of local residents while enriching the sense of place in the region and our nation.

Alignment with City Council's Vision and Strategic Plan

This resolution aligns with the strategic outcome of Partnerships and helps to enhance the City's commitment to justice, equity, diversity and inclusion.

Community Engagement

These funds will be used to promote educational programming for the community.

Budgetary Impact
