City Manager's Office

MEMO

TO: Planning Commission
FROM: Krisy Hammill, Director, Budget and Performance Management
CC: Sam Sanders, City Manager
City Council
DATE: November 26, 2024
SUBJECT: **FY 2026 – 2030 Proposed Capital Improvement Program**

Presented for the Planning Commission's consideration is a draft of the Proposed FY 2026 - 2030 Capital Improvement Program (CIP).

The draft CIP contains revenues and expenses totaling \$31,412,635 in FY 2026 and \$185,771,507 for the 5-year (FY 2026 – 2030) plan.

What is being presented to the Planning Commission reflects what we know currently regarding the City's total revenue and expenditure needs for FY 2026. Until staff has a complete picture for the total budget, including how City revenues are projected to perform in FY 2026 and how expenditure needs will be balanced with available revenue, the 5-year CIP will remain a work in progress and could see adjustments between now and when the Proposed Budget is presented to City Council in March.

We look forward to the upcoming discussion with the Planning Commission on this draft 5-year plan. If you have questions or need more information before the Planning Commission meeting, please don't hesitate to contact me at hammillk@charlottesville.gov.

Materials for November 26th Work Session

In preparation for the November 26th Planning Commission work session, attached is information on the Proposed FY 2026-2030 Capital Improvement Program. Staff will give a short Power Point presentation followed by a question/answer session.
