Title:	Resolution to appropriate \$7,285.76 from the Virginia Department of Social Services to use for overtime for Medicaid unwinding (2nd reading)

Background

The Virginia Department of Social Services has provided funding to local departments of social services to complete Medicaid Unwinding. The Charlottesville Department of Social Services has received \$7,285.76 in funding.

Discussion

With the expiration of the continuous enrollment condition authorized by the Families First Coronavirus Response Act (FFCRA) departments of social services throughout the United States have resumed normal operations, including restarting full Medicaid eligibility renewals and terminations of coverage for individuals who are no longer eligible. The Charlottesville Department of Social Services had roughly 239 cases remaining that needed to have eligibility re-determined this fiscal year.

Alignment with City Council's Vision and Strategic Plan

This aligns with the City's vision to be a place where everyone thrives; to provide residents with safety services and to have staff who are well-trained and dedicated to delivering excellent services to the community.

Community Engagement

Benefits staff work closely with residents to re-determine eligibility for Medicaid and other benefit programs.

Budgetary Impact

The Virginia Department of Social Services is providing 100% of the funding. There is no local match required.

Recommendation

Staff recommends approving this appropriation

Alternatives

If not approved, local funds will be needed to cover the overtime hours worked.
