

ARTICLE XIII. COMMUNITY PLANNING AND DEVELOPMENT GRANT PROGRAMS

Charlottesville, Virginia, Code of Ordinances

Chapter 2 – Administration

Sec. 2-416. Purpose and applicability of article.

- (a) This Article sets forth planning and decision-making procedures to guide the city's engagement as a 'participating jurisdiction' ("PJ") in the Community Development Block Grant ("CDBG") and HOME Investment Partnerships ("HOME") programs administered by the U.S. Department of Housing & Urban Development ("HUD") under the federal Housing and Community Development Act of 1974, as amended, and the federal HOME Investment Partnerships Act of 1991, as amended.
- (b) HUD's Office of Community Planning & Development ("CPD") establishes that CDBG and HOME funds are to be used primarily to support eligible community development, planning and affordable housing activities, as defined by HUD, that are designed to benefit low- and moderate-income ("LMI") persons and to address one or more of HUD's core national objectives.
- (c) The processes established by this article shall apply only to funds specifically allocated by HUD for the CDBG and HOME programs and/or to other funds specifically allocated by City Council to support these programs, such as funds that may be appropriated by Council from the Charlottesville Affordable Housing Fund ("CAHF") to satisfy HUD's local match' requirements for the HOME program.

Sec. 2-417. The Community Development Block Grant Program.

- (a) The City of Charlottesville is proud to partner with HUD to provide valuable financial and other programmatic supports to a wide array of community-benefit organizations that nurture healthy and vibrant communities. Through the CDBG program, the City of Charlottesville provides valuable financial and other programmatic supports to a wide range of local partners that enable them to design and implement programs that foster vibrant and healthy communities through activities related to economic development, commercial and residential revitalization, and/or job creation, all in support of a shared vision of Charlottesville as a place where everyone thrives.
- (b) CDBG funds shall be spent to support eligible community development and planning activities as permitted under the Housing and Community Development Act of 1974,

as amended, and applicable federal regulations, and applicable federal regulations, in line with priorities established by City Council during open public hearings.

Sec. 2-418. The HOME Investment Partnerships Program.

- (a) The City of Charlottesville is proud to partner with HUD and the Thomas Jefferson Planning District Commission (“TJPDC”) to provide valuable financial and other programmatic supports to a wide array of community-benefit organizations that help nurture healthy and vibrant communities, with a special emphasis on affordable housing activities designed to support high-quality housing and living environments as well as to increase the availability of high-quality homeownership and rental opportunities for income-qualified city residents. Through HOME, the city partners with a wide array of local community-benefit organizations to design and implement programs that develop and/or rehabilitate affordable homeownership and rental opportunities throughout the city. In addition, through a regional partnership known as the Thomas Jefferson HOME Consortium (“TJHC”), the city works closely with TJPDC and the staff of five neighboring counties: Albemarle, Fluvanna, Greene, Louisa and Nelson, to support a strong regional approach to the national housing crisis.
- (b) HOME funds shall be used to strengthen public-private partnerships focused on affordable housing activities (“AH”) to strengthen housing stability for LMI residents and the local supply of affordable housing opportunities, as defined by HUD. The funds may be spent to support eligible affordable housing activities as permitted by the HOME Investment Partnerships Act of 1991, as amended, and applicable federal regulations.

Sec. 2-419. Citizen Participation Plan.

- (a) The City of Charlottesville and the Thomas Jefferson Planning District Commission value the participation of all members of our community in the shared work of governance, including the work of the city’s CDBG and HOME programs. We are motivated in this work by the belief that widespread public engagement in the development, evaluation, and execution of these plans and projects is an essential

element of ensuring they deliver deep and meaningful beneficial benefits for our community.

- (b) The City of Charlottesville will develop and implement a Citizen Participation Plan (“CPP”) as an inclusive framework for promoting meaningful public engagement and community-wide dialogue that will inform community development and affordable housing priorities and guide the use of funding received from HUD for the CDBG and HOME programs.

Sec. 2-420. CDBG/HOME Taskforce.

- (a) The CDBG/HOME Taskforce is hereby established to serve as an advisory committee tasked with reviewing applications for CDBG and/or HOME funding in the areas of housing, economic development, public facilities and infrastructure and public services to support activities that will make progress towards the goals and objectives established in the city's Consolidated Plan. The volunteer members of the taskforce then develop a slate of funding recommendations for consideration to City Council, consistent with federal regulations, HUD guidance and priorities for these programs as established by Council during open public hearings.
- (b) The CDBG/HOME Taskforce shall be composed of nine (9) volunteer members appointed by City Council, to include:
 - a. Five (5) members representing the city at-large, with the goal of having no more than one member being drawn a specific city neighborhood if sufficient applications are received by City Council
 - b. Two (2) members representing nonprofit organizations engaged in Public Services activities, as defined at 24 CFR 570.201
 - c. One (1) member currently serving on the city's Planning Commission
 - d. One (1) member currently serving on the Charlottesville City School Board
- (c) The terms of service for the members representing the Planning Commission and School Board shall be coextensive with the term of office to which such member has been elected or appointed, unless City Council, at the first regular meeting each year, appoints others to serve as representatives for these bodies.
- (d) All other members of the Task force first appointed shall serve respectively for terms of three (3) years, with a limit of two terms unless otherwise approved by City Council. Vacancies that may arise shall be filled by appointment for the unexpired

term only. Members may serve up to two (2) consecutive full terms, unless otherwise approved for additional service by City Council. (Charlottesville Municipal Code, Article 1, Sec. 2-8¹)

- (e) The seat of any members who, having been duly appointed by Council to a seat representing a designated neighborhood within the city, moves subsequent to their appointment but who otherwise remains a city resident will convert to an At-Large seat for the remainder of their term or until such time Council takes additional action regarding their appointment (such as to appoint them to another open seat). This conversion will occur even if all other At-Large seats have been filled prior to the date of member's move within the city.

Sec. 2-421. Subcommittees.

- (a) When the City Council is considering proposed HUD-funded activities with a city- and/or neighborhood-wide benefit, Council may choose to appoint members to a Special Purpose ad hoc subcommittee, including but not limited to representatives of the CDBG/HOME Taskforce, the Planning Commission or other city board or commission, residents, businesspeople and property owners from the priority neighborhood as Council deems appropriate.

Sec. 2-422. Annual processes.

- (a) In order to ensure the efficient and equitable administration of the city's CDBG and HOME programs, program staff will work to ensure that certain key processes occur on an annual basis, including:
 - (i) City Council will establish priorities for the upcoming program year
 - (ii) Program staff will issue a formal Notice of Funding Availability ("NOFA") and conduct an open and public Request for Proposals ("RFP") process
 - (iii) The volunteer members of the CDBG/HOME Taskforce will review requests for funding and formulate funding recommendations for consideration by the Commissioners of the Thomas Jefferson Planning District Commission and City Council

- (iv) Program staff will coordinate public hearings and a public comment period for all CDBG and HOME items requiring City Council approval

 - b) The notice of the public hearings shall include estimates of funds anticipated to be made available by HUD to support eligible CDBG and HOME activities as well as how the public can request or access copies of important program documents
 - c) Public comments may be presented in writing, via email and/or in person during public hearings (or virtually when available).
- (b) After considering public input and the recommendations of the members of the CDBG/HOME Taskforce, City Council will approve a slate of funded activities, appropriate funds to support these activities and authorize staff to implement such activities.
- (c) The CDBG/HOME Taskforce may also be called upon to help review annual performance of the city HUD-funded activities and to identify accomplishments, challenges encountered and recommended amendments to the Annual Action Plan, such findings to be included in the city's Consolidated Annual Performance Evaluation Report ("CAPER") and used to inform future funding recommendations.
- (d) City Council may at times consider and approve certain special purpose funding recommendations received from program staff outside of the typical Annual Action Plan process, such as to meet HUD timeliness of expenditures requirements. Any such recommendations will follow all established public notice and public hearing requirements as established by HUD, Virginia law and/or this Article.
- (e) Once City Council has approved and funded a program, any reprogramming and budgetary changes will be done consistent with the approved Citizen Participation Plan in effect at that time.
