WHEREAS, the Charlottesville City School Board is committed to ensuring that every child within Charlottesville City Schools has access to a safe, welcoming, and supportive learning environment regardless of race, national origin, language, religion, or immigration status; and

WHEREAS, the United States Supreme Court decision in *Plyler v. Doe* affirms that all children residing in the United States have a constitutional right to access a free public K–12 education regardless of immigration status; and

WHEREAS, schools function best when families trust that their children will be safe from intimidation, surveillance, or enforcement activities that disrupt the educational environment; and

WHEREAS, school districts across the nation have adopted policies and resolutions clarifying procedures for responding to federal immigration enforcement actions and affirming that schools are places of learning, safety, and belonging; and

WHEREAS, the presence of immigration enforcement activity on or near school campuses can cause significant disruption to the educational environment and emotional harm to students; and
