### SUPPORTIVE INFORMATION SHEET CHARLOTTESVILLE CITY SCHOOL BOARD

|                                |                                                                                                                                                                                                                                                                                |
|--------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>DATE:</b>                   | October 1, 2026                                                                                                                                                                                                                                                                |
| <b>SUBJECT:</b>                | Charlottesville Early Learning Center (CELC) Design Update - Kim Powell                                                                                                                                                                                                        |
| <b>BACKGROUND INFORMATION:</b> | VMDO Architects will provide information regarding project basics (program, site, schedule), the design process (What the team has been doing since the school board last had an update), and a design update (plans + renderings).                                            |
| <b>STRATEGIC PLAN:</b>         | <ul style="list-style-type: none"><li>● Priority 1: Increase Academic Achievement</li><li>● Priority 2: Provide a Culture of Safety, Wellness, and Belonging</li><li>● Priority 3: Support our Staff</li><li>● Priority 4: Ensure Effective and Efficient Operations</li></ul> |
| <b>RECOMMENDATION:</b>         | It is recommended that the School Board receive this informational update on the Early Childhood Learning Center Design.                                                                                                                                                       |
| <b>ACTION REQUIRED:</b>        | None                                                                                                                                                                                                                                                                           |
| <b>CONTACT PERSON(S):</b>      | Kim Powell, Chief Operations Officer                                                                                                                                                                                                                                           |
