CTB Decision Brief

Bridge Naming: "Trooper Kevin Carder Manion Memorial Bridge"

Issue: Commemorative naming of the eastbound and westbound bridges on Interstate 66, over U.S. Routes 340 and 522, Winchester Road in Warren County, as the "Trooper Kevin Carder Manion Memorial Bridge".

Facts: The Warren County Board of Supervisors enacted a resolution on May 16, 2023, to honor the life, contributions to his community and ultimate sacrifice of Virginia State Police Trooper Kevin Carder Manion, who was killed in the line of duty at the age of 27 while honorably fulfilling his duties. He was shot and killed on February 18, 2006, while investigating a single-vehicle automobile accident on Route 649 in Clarke County. The crash involved a pickup truck that had run off the road and overturned. As the damaged truck was being moved, a stolen rifle inside the truck discharged, striking the young trooper in the chest.

A native of Bath County, Trooper Manion was a graduate of the University of Mary Washington. He joined the State Police in October 2002 and completed the 104th Basic Session. His first patrol assignment was in Area 11. Nearly three years later, Trooper Manion, Badge 870, was transferred to Area 13 and assigned to patrol in Warren County.

Pursuant to §33.2-213 of the Code of Virginia, no name shall be given to any state highway, bridge, interchange, or other transportation facility by the Board unless and until the Board receives (i) for a naming after a state official, a letter or resolution from the head of the state agency by which the state official was employed requesting such naming or (ii) for a naming other than after a state official, a resolution from the governing body of the locality within which a portion of the facility to be named is located requesting such naming. Further, pursuant to this section, for a highway, bridge, interchange, or other transportation facility named after a state official killed during the performance of his official duties, the costs of producing, placing, and maintaining these signs shall be paid from Commonwealth Transportation Funds. For purposes of this section, "state official" includes law-enforcement officers employed by the Department of State Police and state highway transportation workers.

In accord with §33.2-213, Colonel Jeffrey S. Katz, Superintendent of the Department of State Police, on July 2, 2026, submitted a letter in support of Warren County's request for the commemorative naming for Trooper Manion and submitted an email on July 8, 2026, requesting this commemorative naming.

Recommendations: The Virginia Department of Transportation (VDOT) recommends this request be approved.

Action Required by CTB: The *Code of Virginia* requires a majority of the CTB members to approve a resolution naming a highway or bridge, as appropriate. A resolution will be provided for the Board's consideration.

Result if Approved: The eastbound and westbound bridges on Interstate 66, over U.S. Routes 340 and 522, Winchester Road in Warren County, will be known as the "Trooper Kevin Carder Manion Memorial Bridge".

By resolution, Warren County agreed to pay the costs of producing, placing, and maintaining the signs calling attention to this naming. However, in accordance with §33.2-213, for any state highway, bridge, interchange or other transportation facility named after a state official killed during the performance of his official duties, the costs of producing, placing and maintaining those signs shall be paid from Commonwealth Transportation Funds. Therefore, notwithstanding Warren County's resolution, VDOT will utilize Commonwealth Transportation Funds to pay for the costs of producing, placing, and maintaining the signs calling attention to this naming.

In accordance with §33.2-213 of the Code of Virginia, I write to the Commonwealth Transportation Board in support of the Warren County Board of Supervisors' request that the Interstate 66 bridge at the State 340/522 North Interchange be named in honor of Virginia State Police Trooper Kevin Carder Manion.

Trooper Manion, 27, was shot and killed on February 18, 2006, while investigating a single-vehicle automobile accident on Route 649 in Clarke County.
