MOTION

Made By: Mr. Keen Seconded By: Mr. Davies Action: Motion Carried, Unanimously

Title: Statewide Abandonments and Transfer in the Primary System of State Highways

WHEREAS, the projects listed below, by construction district, relocated segments of existing primary system roadways to new alignments, causing the segments identified (a) to be no longer necessary as public roads, since a new road serves the same citizens as the old, or (b) to be transferred to the secondary system of state highway as those segments no longer meet criteria to be part of the primary system of state highways; and

WHEREAS, the abandonment of a road extinguishes the road as a public way, eliminates the need for VDOT to maintain the segment described, and enables the right of way to be conveyed by the Board or the local government, according to the ownership of the underlying fee title; and

WHEREAS, when construction of a new road causes certain roadway segments to no longer meet the criteria to remain in the State Highway System, those roads may be transferred to the secondary system of state highways maintained by the Department, pursuant to §33.1-35, Code of Virginia 1950, as amended; and
