Secondary Six Year Plan

Unpaved Grant funding to hard-surface gravel roads:

- **Must be in the State Secondary System**
- **Must carry a minimum of 50, but no more than 1,500, vehicles per day**
- **Must be predominately used for local traffic with minimal anticipated traffic growth**
- **Require minimal, if any, improvements to alignment and drainage features**
- **Obtain a width for two vehicles to safely pass, at least 16', preferably 18'**

Or:

- **Make improvements to a gravel road outside of routine maintenance that does not include paving**

Greene County has:

- **A total of ~80 miles of gravel roads**
- **~40 miles that qualify simply based on traffic counts. A field review is required.**
