**MEMORANDUM**

<b>TO:</b>	Greene County Board of Supervisors
<b>FROM:</b>	Terry Beigie, Grant Writer
<b>SUBJECT:</b>	Safe Street For All Grant Application
<b>DATE:</b>	May 12, 2026

**Recommended action:**

**Approve the attached resolution to allow the application to be submitted for Safe Streets For All.**

**Background:**

TJPDC is putting forward a Safe Streets For All Grant application that incorporates projects from all the localities. This strengthens the request for grant funding from the Federal Government. Greene County is requesting rescue tools to outfit the new truck Stanardsville Volunteer Fire Company will receive next year. Stanardsville Volunteer Fire Company cannot submit this grant and it must be submitted from the locality. The resolution says the County will cover the matching amount; however, Stanardsville Volunteer Fire Company will be covering that amount if we are awarded the grant. The Safe Streets For All Grant Program allows for fire and rescue tools and apparatuses to be purchased at the 80-20 rate (Federal, Local), provided there is a roadway safety plan in place. TJPDC worked with the localities to create Move Safely Blue Ridge over the last few years.
