MEMORANDUM

TO: Members of the Greene County Board of Supervisors

FROM: Jim Frydl, Planning Director
Stephanie Golon, Deputy Planning Director

SUBJECT: Resolution identifying the 2026 work plan for the Agricultural Forestal District Committee

DATE: March 18, 2026

Attached is a resolution from the Board of Supervisors directing the Agricultural Forestal District Committee, an important stakeholder group, to support the preservation of Greene County's agricultural and forestal lands, recognizing this as a key priority for maintaining the County's economy, rural character, and environmental health.

In furtherance of this goal, the Committee shall (1) coordinate and support ongoing educational outreach to landowners, in collaboration with the Virginia Cooperative Extension and partner organizations, to promote conservation tools, land use taxation incentives, and best management practices; and (2) provide input and recommendations during the 2027/2028 Comprehensive Plan review to ensure that agricultural and forestal preservation strategies are effectively integrated into the County's long-range planning efforts.
