DEPARTMENT REPORTS & ACTION ITEMS

1. The 2026 Father-Daughter Dance was a resounding success, highlighted by its first-time hosting at Guildford Farm. This partnership with a premier wedding and special event venue elevated the overall experience, with the scenic setting and high-quality event setup creating a memorable evening for all attendees.
2. The Winter 2026 Youth Basketball and Cheerleading Championship Games, held at William Monroe High School, were a tremendous success. Each age division saw a packed gymnasium, showcasing strong community support and providing an exciting, high-energy conclusion to the season for participants and families.
3. Registration for Spring 2026 Youth Soccer concluded with an all-time high in participation numbers. This program continues to experience significant growth and remains the department's largest program of the calendar year, reflecting increasing community engagement and demand for youth athletics.

COUNTY OF GREENE | MONTHLY DEPARTMENT REPORT

4. The department successfully hosted the Easter Eggstravaganza, Luck of the Greene 5K, and Touch-A-Truck Event on the same day at Greene County Community Park. This large-scale, multi-event day was a major success and also marked the Greene County Parks & Recreation Foundation's first official event, setting a strong foundation for future collaboration and community-focused initiatives. GCPR looks forward to continued partnership with the Greene County Parks & Recreation Foundation and expanding special events that enhance community engagement and recreational opportunities throughout the county.
