Greene County Parks & Recreation greatly appreciates the continued support and volunteer efforts from Legacy Church and their commitment to improving community spaces.
2. The department's Chance to Dance program, in partnership with the Charlottesville Ballet, concluded successfully during the month of April. Participants spent three weeks exploring Ballet, Tap, Hip Hop, and Modern Dance while discovering the joy of movement and creative expression. Greene County Parks & Recreation is extremely thankful for the opportunity to partner with Charlottesville Ballet to bring high-quality dance programming to local families. This opportunity was FREE due to grant funding raised by Charlottesville Ballet. Partnerships such as this continue to expand recreational and cultural opportunities for youth while strengthening community connections through the arts.
