DEPARTMENT REPORTS & ACTION ITEMS

1. Recreation Supervisor Position Filled

GCPR successfully filled the Recreation Supervisor position, welcoming Mike Brown to the department. Mike joins Greene County Parks & Recreation after eight years of experience with Charlottesville Parks & Recreation. His addition to the department represents an important step forward in strengthening GCPR's staffing capacity and ability to expand and improve recreational programming and services for the community. We are excited to have Mike join the GCPR team and look forward to the experience and knowledge he will bring to the department.

2. Successful Conclusion of Summer Youth Camps & Continued Partnership with WMHS Athletics

GCPR successfully wrapped up another strong summer of youth programming, including a variety of athletic camps conducted in partnership with the coaches and athletic programs at William Monroe High School. These partnerships continue to prove valuable for both the community and WMHS Athletics by providing local youth with quality instruction and opportunities to interact with high school coaches and athletes. Strengthening the relationship between GCPR and the WMHS Athletic Department has remained a priority for the department.

3. Successful Kids Fishing Day & Community Partnerships

GCPR successfully hosted the Second Annual Kids Fishing Day in partnership with Dover Foxcroft and the Virginia Department of Wildlife Resources. The event

COUNTY OF GREENE | MONTHLY DEPARTMENT REPORT

provided local youth with an opportunity to learn about fishing and enjoy the outdoors while bringing together multiple community partners. The success of Kids Fishing Day demonstrates GCPR's continued ability to collaborate with local government agencies, businesses, churches, and community recreation spaces to create meaningful recreational opportunities for Greene County residents.
