MEMORANDUM

|-----------------|---|
| TO: | Greene County Board of Supervisors |
| FROM: | Terry Beegie, Grant Writer |
| SUBJECT: | Accept and Appropriate \$125,000.00 in grant funds from DCR |
| DATE: | February 3, 2026 |

Recommended action:

Approve the attached resolution to accept and appropriate \$125,000.00 in funds from the Virginia Department of Conservation and Recreation for the creation of a countywide resilience plan.

Background:

The Virginia Department of Conservation and Recreation has a grant program utilizing the Virginia Community Flood Preparedness Fund that can be used for the creation of a Resiliency Plan. The Commonwealth has encouraged localities to have one regarding flooding. This plan will identify the areas where flooding is a concern. Once the areas have been identified, Greene County can submit applications for grants for studies to find the appropriate mitigations for those areas.

There is a 25% match requirement for this funding, however, staff time can be used as an in-kind match instead of cash. Planning and Zoning staff will be heading the project from the County side, and I will be managing the grant, all of which would count toward the match requirement. We do not anticipate the need for cash for this matching grant. The Board of Supervisors approved the submittal of this application at its September 23, 2025, meeting.

If you have questions, do not hesitate to reach out to myself.
