

NOTICE OF PUBLIC HEARING
for Safe Routes to School (SRTS) Sidewalks Project: Waterman ES and Keister ES

The Harrisonburg City Council will hold public hearings on Tuesday, December 9, 2025, beginning at 7:00pm, located at 409 South Main Street.

This will be a formal Public Hearing where citizens will be able to offer their thoughts on the project to the City Council and City staff. This project will construct three separate segments of new five foot (5') wide sidewalk to fill gaps between existing sidewalks and improve safe pedestrian access to two different schools:

- Gay Street at Waterman Elementary School to fill a gap in the sidewalks along Gay Street and to create a safe and direct sidewalk and crosswalk to the school building.
- The south side of 1st Street between the sidewalk on Lee Avenue and the crosswalk across Chicago Avenue.
- Along Central Avenue adjacent to Keister Elementary School's parking lot.

This project is funded by a VDOT Transportation Alternatives Program (TAP) grant. Additional information about the proposed project is available at <https://www.harrisonburgva.gov/transportation-projects>

Written or oral comments may be submitted to Maya Waid by emailing Maya.Waid@harrisonburgva.gov or calling 540-434-5928, before or after the Public Hearing.

In compliance with the National Historic Preservation Act, Section 106 and 36 CFR Part 800, information concerning the potential effects of the proposed project on properties listed in, or eligible for listing in, the National Register of Historic Places is provided in the environmental documentation.

The City of Harrisonburg ensures nondiscrimination and equal employment in all programs and activities in accordance with Title VI and Title VII of the Civil Rights Act of 1964. If you have questions or concerns about your civil rights in regard to this project, or special assistance for persons with disabilities or limited English proficiency, contact the Outreach and Communications Specialist listed above.
