Good morning! I hope this eMail finds you and your staff well!

I wanted to touch base with you on the press release from PJM this morning emphasizing the discussion we had earlier this week. PJM has chosen the Dominion Energy/AEP/FirstEnergy project as the new regional transmission project. I have attached a copy of the joint press release for your perusal, and I will be stopping by your office today to follow up with you, so if you have any questions, I'll be happy to answer them =0).

Respectfully,
