1 Woolfolk Avenue  
Louisa, VA 23093

Dear Madam and Sirs,

Trevilian Station Battlefield Foundation, Inc. wishes to express our sincere gratitude for the \$20,000.00 tourism fund grant for the replacement of the roof at the 1846 Charles Goodall Trevilian House. This house is the centerpiece of the tour of the Battle of Trevilian Station. If the Board or individuals ever wish to have a tour of our Trevilian House if you have not already, please let us know.

With the announcement of the Christmas Train Excursions, it is wonderful that visitors can see the fully restored house while on their trip. Now if the Depot can receive the same attention as the Louisa Depot, we envision the Trevilian House also being a destination. Again, thank you for helping us preserve the most important historical site in Louisa County. Pictures are attached.

Sincerely,

Gerald W. Harlow, President  
Trevilian Station Battlefield Foundation, Inc.
