**Public Hearing - CPA2026-01; Proposed Amendments to the 2040 Louisa County Comprehensive Plan**

Proposed Amendments to the 2040 Louisa County Comprehensive Plan adopted September 2019 to add an appendix to the Comprehensive Plan (2040 Plan) for an Electric Transmission and Corridor Policy. Louisa County recognizes the growing regional demand for electric transmission infrastructure to support economic development, energy reliability, and emerging high demand uses. At the same time, the County places a high priority on preserving its rural character, protecting agricultural and forestal lands, and minimizing impacts to existing communities. Proposed amendment language is available online and from the Community Development Department in-person during regular business hours, Monday through Friday, 8:30 a.m. to 5:00 p.m., and by calling (540) 967-3430.
